# Celebrating all our Be A Star winners at Edinburgh Zoo!

## David Mochniej Levy UK + Ireland

Junior Chef de Parti David has really made a difference to the kitchen team, taking charge of functions where the value to the client has been huge, with enthusiasm. A team player, David will happily pitch in whether that's helping front of house or setting a table.

“The client team keep telling me saying how well David is doing and how passionate he is”.

## Lindsay Prior ESS

She worked with the students on the "Snackie Mackie" project, helping them create and develop a new snack product. Lindsay then brought the best 5 products to life - making the recipes available on the source, so they can be made in our units.

“Lindsay was inspirational and the students were thrilled to see the end products”.

## John Goldie B&I

Relief Chef Manager John travels from Scotland to sites all over the UK, giving up his own personal time to ensure he's on site when needed. His sheer determination to get the job done has left our team fighting for his support.

“An amazingly positive influence over the last 12 months and rightly deserves this honour.”

## Marlene McArthur Levy UK + Ireland

Marlene is the team member you want in every site! A steady, supporting rock - leading the way and guiding the team. Her welcoming and approachable manner have made the site somewhere people want to be.

“Marlene's impact and drive is infectious”.

## Martin Risi Chartwells

Martin's role extends beyond kitchen duties - supporting Front of House, and assisting as a Commis Chef or with theme days. Martin's compassion shines through, from checking in on those going through tough times to remembering details that make others feel valued.

## Matthew Kelly Levy UK + Ireland

Matthew is committed to his job and to his team. He treats all colleagues with respect and is a role model to the younger members - being endlessly patient and always ready to use his knowledge to help guide and develop them. Not only that, he also exceeds the high standards that he sets for himself, and consistently receives positive feedback from clients.

## Martin Sherwood Retail

Martin started doing a weekly report, showing the results of the previous week in a clear and concise way so colleagues know how we're doing and where to chase sales. This is a great sales driver!

**This is just one example of how Martin supports our whole region".**
